

ARCHDIOCESE OF PHILADELPHIA

MISSIONARY CHILDHOOD ASSOCIATION

SEPTEMBER 2019 • MONTHLY MISSION RESOURCE

Dear Mission Moderators, Principals and Directors & Coordinators of Religious Education,

May God's blessings be upon you as you begin your new school year! The **Missionary Childhood Association [MCA]**, one of the **Pontifical Mission Societies**, has had an exciting Summer, as we continue in this **EXTRAORDINARY YEAR OF MISSION [EYM]**. Over the last several months, many schools, PREP programs, Vacation Bible Schools and Youth Groups have become a part of **MCA** for the very first time!

With a new start in so many places, and feeling the spirit of Mission come alive in Archdiocese of Philadelphia, **MCA** developed and is excited to introduce our new logo that represents exactly what the **Missionary Childhood Association** is all about, **Children Helping Children**, all over the world! The prayers and sacrifices of the students in Philadelphia support children in 1,111 diocese in Mission areas across the globe. These are children who may not have food to eat, water to drink or a bed to lay their head on at night.

Through **MCA**, we must continue the Mission of the Church, and *"go out and make disciples of all nations"*

We must pray for these children and offer up our sacrifices to help them. I encourage you to use this resource to continue inspiring **Missionary Discipleship** among your students during this school year and especially during the **EYM**.

MCA promises to be a resource to you, whether it is through the Mission Animation presentations, our Archdiocesan Mission Days, Rosary-making Service Activities or various initiatives to help your students embrace their Catholic identity *and be Missionary!* As always, we ask that even though there are many worthy charities in need of our support, **you first include MCA in your curriculum and education** programs. Thank you for your participation and we look forward to another wonderful school year fostering Missionary Disciples in Philadelphia.

Sincerely in Christ's Mission,

Monsignor Arthur E. Rodger • Archdiocesan Director

Not familiar with the Missionary Childhood Association [MCA] ?

In collaboration with OCE & OCF, MCA provides this **Monthly Mission Resource** so you can pull ideas from it, engage your children with Missionary activities and teach them about the missions. Archbishop Chaput has asked that all Archdiocese of Philadelphia schools and PREPs **prioritize the Mission Societies**. We understand that you cannot possibly use all of these resources, but you are asked to implement them, *however possible*, into your curriculum to inspire the youth of the Archdiocese of Philadelphia **to be Missionary Disciples!**

Mission Animation for Students brought to you by Missionaries

MCA in Philadelphia exists to raise awareness of what it **means to be a Missionary** and how to foster the **Missionary spirit** to students throughout the Archdiocese.

Invite a local Missionary to your school & bring to life the imagination of your students hearing personal testimony of what it means **to be a Missionary** in prayer and service of others. The MCA office collaborates with many local Missionaries from around the world who are happy to share their experience with your students.

The school visits can be scheduled for your entire student body,

Ali Holden, at Our Lady of Mount Carmel's Spirit Day in Doylestown

for a selected student-grade group or your Religious Education Program on any day, in the evening and even on the weekend. This is a great learning “real-life” activity for your students to experience more about Missionary work, the Mission spirit and our call as baptized Catholics **to be Missionaries!** MCA, along with Archbishop Chaput, encourages all schools to invite a local Missionary speaker to speak with their students.

Saint Gregory the Great: *Began the First Large Scale Mission in Rome*

Pope Saint Gregory I, also known as the Great, was the Pope of the Catholic Church between 590 and 604 AD. Gregory's family was very wealthy owning income-producing estates on the island of Sicily. Gregory was well educated; he excelled in all his studies. He also became an expert in law. He excelled so

much he became the Prefect of Rome, just as his father had been. Gregory was only 33 years old. **After five years, he resigned and became a Benedictine Monk.**

After Gregory's father died, Gregory converted the family Villa in Rome into a

Monastery. Today the Monastery still stands as the San Gregorio Magno al Celio.

As a monk, Gregory took the Monastic life very seriously. He made clear he preferred the Monastic life in a series of writings praising it. He also referred to himself as a Servant of God. The habit remains in practice to this day and many clergy still refer to themselves as servants.

Pope Gregory was famous for the emphasis he put on Missionary work. He sent many people out to bring many to Jesus and into the Church. Anglo-Saxon Britain was, at that time, still on the frontier of Christendom. It was Pope Gregory who dispatched St. Augustine [of Canterbury] to Kent in 597. Called "*the Great*," Gregory has been given a place with Augustine, Ambrose and Jerome, as one of the four key doctors of the Western Church.

Pope Gregory made many changes to the Mass, some of which remain today, **The position of the Our Father in the Mass remains where Pope Gregory placed it.**

Discussion Questions:

- *How can begin a Mission to spread the Gospel in your community?*
- *What could you do in your everyday life to act/live like Saint Gregory?*

Feast Day: September 3rd

Patron of: Musicians, singers, students and teachers

Birth: About 540

Death: March 12, 604

"Age quod agis"

Which translates to *Do What You Are Doing*. Saint Gregory said this to encourage those around him to keep focus on what they are doing in trying to **serve the Lord**.

Back to School Litany

Set up an altar with an open Bible, a crucifix, candles *[unlit]*, a globe to represent the missions and a **World Mission Rosary**

Leader: A litany is a form of prayer; the reader reads the beginning of the sentence and the group answers with the same response each time. Today, we will pray a **Back to School Litany**, thanking God not only for the time of rest we had during the summer but also for the opportunity we have to learn and grow during this school year. We will also pray a **Missionary Childhood Litany**, asking God's blessing on children around the world who lack some of the blessings we enjoy.

Back to School Litany

Reader 1: *Our response will be: We thank you God, Father of all.*

All: We thank you God, Father of all.

Reader 2: For the time to rest, play and enjoy our friends -

All: We thank you God, Father of all.

Reader 1: For the summer sun and refreshing rains that help to grow the food to nourish us -

All: We thank you God, Father of all.

Reader 2: For our families, especially the adults who care for us -

All: We thank you God, Father of all.

Reader 1: For good books to read, games to play and new places to visit -

All: We thank you God, Father of all.

Reader 2: For the mountains and the sea, the city and the farms we may remember from our summer vacation -

All: We thank you God, Father of all.

Reader 1: For every moment of our lives this past summer -

All: We thank you God, Father of all.

Leader: Gracious God, Father of all, we thank you for the moments of our summer. Help us to keep them in mind as we now remember those children who don't have the luxury to have time to play, to eat well or to be cared for by loving families and friends.

All: Amen.

Missionary Childhood Litany

Reader 1: Our response will be: May our help and prayers reach all God's children.

All: May our help and prayers reach all God's children.

Reader 2: For children in the missions whose work is exploited every day -

All: May our help and prayers reach all God's children.

Reader 1: For children who don't have enough to eat -

All: May our help and prayers reach all God's children.

Reader 2: For children in the missions who have no one to care for them -

All: May our help and prayers reach all God's children.

Reader 1: For mission children who may never know how to read and write or go to school -

All: May our help and prayers reach all God's children.

Reader 2: For children in the missions living in lands scarred by war and natural disaster -

All: May our help and prayers reach all God's children.

Leader: God, our Father, hear our prayers for those in need. Guide us as we work this year to reach out as missionaries in Your Name.

ALL: Amen.

FUTURE MISSIONARY

_____ **IS CALLED TO SERVE!**

In the box above, write your name on the line draw a picture of yourself! **Be creative in illustrating a picture of you doing Missionary work.** You could be making sacrifices for children who have no water, you could be helping plant crops in a place where many go hungry, you could be teaching a young child in a Mission Land how to read, or praying for others who have no one else to pray for them. When finished, hang this in the classroom as a reminder that we must continue our journey as Missionaries, you never know where your love for Jesus and the Missions can take you!

MISSION FOCUS: CAMEROON, AFRICA

In a country plagued by bribery and corruption, where the rich continuously manipulate the poor to take the little they have in order to continue to grow richer, the Diocese of Kumbo in Cameroon is striving to build schools and teach the Catholic faith to those who feel hopeless.

With an illiteracy rate of over 40%, the church in Kumbo has made elementary education their first priority and most important Missionary task.

Sending a child to school can cost \$100 dollars! This may not seem like a large sum for students going to school in Philadelphia, but many families in this Mission country do not **make even \$30 dollars a year**. What kind of a future do these children have without an education?

Every penny or nickel counts. It is not expected that one child would give the \$100. It is all about making small but important sacrifices. This is the motto of **MCA** - children helping other children, like those in Kumbo who cannot afford to go to school.

Children helping to build their own school in Kumbo

**Students in Cameroon, Africa need
YOUR help to build a school!**

Here's an example of how pennies and nickels can make a difference! Over 400 KM [about 248 miles] south of Kumbo is Buea. The **St. Mark's Primary School** in Buea, Cameroon educates over 200 students. All students, regardless of grade level, currently share one room. They sit on benches and have very limited space. There is no restroom, and students and teachers must walk several miles for clean water. The Buea community is fundraising to build classrooms and a restroom with plumbing. Any extra money will be used to buy books and supplies. **Just \$10 from your school can help get the construction started!**

IN A MISSION LAND LIKE CAMEROON:

\$1 can help get pencils and chalk for the classroom

\$10 buys construction materials nails, etc.

\$50 can purchase heavy construction materials like bricks

\$100 for drywall

- Will **your students** pray a Hail Mary for children in Cameroon each day this school year? Pope Francis asks all students in **MCA** do so.
- Can **your class** sacrifice and help to pay for heavy construction materials to build a classroom?
- Can **your school** raise enough to provide pencils for an entire classroom?

PRAY FOR CHILDREN IN THE MISSIONS JUST LIKE YOU !

During this **EXTRAORDINARY YEAR OF MISSION**, and especially during the *Extraordinary Mission Month of October* coming up, it is important to remember that each and every one of us is a Missionary, called to delivery God's message to the whole Church.

Pictured here is the World Mission Map. **GREEN** symbolizes the forests and grasslands of **AFRICA**, **BLUE** is for the ocean surrounding the **ISLANDS OF THE PACIFIC**, **WHITE** symbolizes **EUROPE**, the home of the Holy Father, **RED** symbolizes the fire of faith that brought the first Missionaries to the **AMERICAS**, and **YELLOW** is for the morning light of the east, symbolizing **ASIA**.

We must pray and sacrifice for all the children in these places who do not know the love of **JESUS!**
