

*World Mission Rosary Final Blessing from
Brother Dennis Lee of the De La Salle Christian Brothers*

*Loving God, as we conclude our evening of prayer, we ask for
Your blessing upon each of us who gather this evening.*

*We hold in prayer and with much tenderness all who are
suffering in our world at this moment of time.*

*We grieve for all the precious lives lost and so many vulnerable
lives threatened.*

*We ache for ourselves and our neighbors, standing before an
uncertain future.*

*We ask you to bless those in our one world, including those in
our mission lands, who continue to struggle mightily.*

*We will continue to ask the intervention of Mary who is our
model of faith.*

*As our participants go forth this evening, bless them and their
families as they continue to serve you and as we all continue to
implore Your mercy in providing our world with unity as we await
the development of a safe vaccine and treatments for this virus.*

Our world is changed but Your love for us is unfailing.

*Bless us all in the name of the Father, the Son and the Holy Spirit,
Amen.*
